PROJECTS

Gusbmps – Shopify E-commerce Store

🔗 <https://www.gusbmps.com/>

Built a responsive e-commerce website on **Shopify** with custom theme development and product collections. Integrated payment options, cart functionality, and user-friendly navigation for a seamless shopping experience. Focused on clean design, mobile optimization, and smooth performance across devices.

Vitalwerk – MedicOne Shopify Store

🔗 <https://vitalwerk.com/>

Built a responsive e-commerce site on **Shopify**, highlighting natural healthcare products inspired by Traditional Chinese Medicine and wellness. Designed custom product collections, streamlined navigation, and intuitive layout for seamless user experience. Developed with a biological, modern, and clean aesthetic focused on mobile optimization and efficient browsing.

Own Your Journey – Yoga & Wellness Booking Site

🔗 oyjourney.com

Developed a WordPress-based platform for yoga and wellness classes, integrating custom booking functionality and payment processing. Implemented a user-friendly interface for class scheduling and secure online transactions. Ensured a seamless experience for clients to book and pay for personalized sessions.

SUMMARY

Frontend Developer with experience in **Shopify, WordPress, Wix, and Go HighLevel**, with a focus on Shopify theme development and customization. Skilled in building responsive, user-friendly websites, integrating third-party tools, and improving overall performance. Strong ability to translate client requirements into effective digital solutions while ensuring quality and timely delivery.
