PROJECTS

Tax Website

🌐 <https://taxwithmisha.wixsite.com/taxfile>

- Crafted a Wix-powered platform facilitating tax filing, GST credit, passport renewal, and old age pension applications for Canadian residents and beyond, ensuring a user-friendly experience for all users.

Blood Donation Set-up

The software collects and distributes blood efficiently. It manages daily transactions, donor records, and blood issuance. Designed for future needs, it quickly finds the right blood for patients, helping save lives.

- Successfully designed a Blood Donation Set-up project, which was recognized and selected for presentation at the district level.
