SUMMARY

Eager fresher with proficiency in HTML, CSS, and PHP. Passionate about web development and eager to contribute to dynamic teams. Strong problem-solving skills and keen attention to detail. Ready to learn and adapt to new technologies.

EDUCATION

Bachelor Degree in Computer Application

A.S college

📅 2020 - 2023   📍 Khanna

EXPERIENCE

As a fresher in web development, I have completed relevant coursework in HTML, CSS, and PHP and have applied this knowledge through personal projects. Additionally, I have engaged in freelance opportunities to further develop my skills and have contributed to open-source projects to enhance my coding abilities. I am committed to continuous learning and staying updated on industry trends to advance my career in web development.

MY OPEN-SOURCE WORK

Blood Donation Set-up

- The software collects and distributes blood efficiently. It manages daily transactions, donor records, and blood issuance. Designed for future needs, it quickly finds the right blood for patients, helping save lives.

Tax Website

🔗 https://taxwithmisha.wixsite.com/taxfile

- Crafted a Wix-powered platform facilitating tax filing, GST credit , passport renewal, and old age pension applications for Canadian residents and beyond, ensuring a user-friendly experience for all users.

SKILLS

WordPress   Elementor   Java
